# WEARING O' THE *Green*

## LAPEL PINS

Be ready this year with a touch of green by wearing a Shamrock Yo-Yo Lapel Pin. Ward off all attempts of being pinched!

### Supplies

Shamrock Shape Yo-Yo Maker  
Small Art No. 8712 / Large Art No. 8713  
Pin Back  
Green Fabric Scraps (8" x 8" large  
Shamrock/6" x 6" small Shamrock)

#### Lads:

1/8" wide green ribbon approx 4 1/2"

#### Lassies:

1 covered wire florist stem  
1 bead  
2-3 sprigs of pearls  
3/8" wide yellow ribbon approx 10"

### Directions

#### Lads

1. Make one large Shamrock yoyo.
2. Fold the 4 1/2" length of ribbon in half and stitch to the back.
3. Hot Glue Pin Back to the back of the Shamrock over the ribbon.

#### Lassies

1. Make one large and two small Shamrock yoyos. Note: In a bold design move we used the reverse side of one large and one small yoyo. We added a bead to the center of the third shamrock.
2. From the stem: Cut 3 pieces 4", 3 1/2", & 3" (the remainder of the stem will be used for coiling the bouquet together).
3. Insert the longest cut stem piece into the center of the large Shamrock, bend the stem down as to create a hook and secure the hook into place using a drop of hot glue. Repeat this for the two smaller shamrocks.
4. Gather the 3 Shamrocks along with the sprigs of pearls and coil wrap the bouquet together using the remaining length of stem.
5. Tie a 3/8" wide ribbon to create a bow.
6. Hot glue a pin back to the rear of the large Shamrock.

## SUN CATCHER

### Supplies

Shamrock Shape Yo-Yo Maker  
Small Art No. 8712 / Large Art No. 8713  
Fabric  
Needle, Thread  
Beads large and small  
Sequin pins  
Foam core board  
Stock weight cardboard  
Floral wire  
Fabric glue

### Directions

Cut foam core board in shape of shamrock. Cut fabric 1/2" larger to cover foam core board (an old "cutter quilt" was used for model). Make 3 large shamrock yoyos. Make 1 small shamrock yoyo. Stitch or glue large bead to center of all yoyos. With floral wire attach small bead and twist wire, hiding end with next large bead. Add large bead, small shamrock, large beads, large shamrock; repeat until you have 3 large shamrocks and 1 small shamrock with large beads between. Insert wire through the foam core shamrock and twist at top to form a loop hanger. Cover front and sides of foam core with fabric glue. Place fabric shamrock over foam core, paying attention to wrapping the edges to the back. Place line of glue on back to make sure fabric stays in place. Glue card stock on back to finish. Attach small beads along the edge of shamrock with sequin pins.
