

## **KNIT FABRIC SCARF**

### **MATERIALS NEEDED:**

**FABRIC:** 1 yard cotton material or scraps to equal 1 yard  
**NEEDLES:** # 8 Clover Bamboo needles  
**NOTIONS:** Clover Bamboo crochet hook size G  
Clover Rotary cutting matt  
Clover Rotary cutter  
Clover Bias Cutting ruler

**TIPS:** When purchasing fabric for this project, as with all fabric knitting/crochet projects, choose a fabric with a strong color on the backside as well as the front. Your fabric strips will twist as you knit and you want color through out the project to be consistent.

Pre-wash your fabric before cutting

Using our suggestions for working with fabric strips cut your fabric in continuous strips or use the joining strips method. Roll into balls and you are ready to go.

### **Instructions:**

Cut material into \_ " strips

Cast on 8 stitches and knit all rows until piece measures 64 inches or desired length.

Cast off.

### **FRINGE:**

Cut strips one quarter of an inch wide (1/4") and 7 inches long.

Slip crochet hook through a stitch along bottom of scarf. Slip hook through loop on folded fringe strip and pull through. Catch ends of fringe strip and pull through folded loop. Repeat until you have desired amount of fringe.

Trim fringe.
