### PREPARING TO BEAD

Trace holly leaf onto heavy craft felt or fabric of choice. Using the Embroidery Tool Threader, fill with sequins  
*Tip: Sequins MUST be going the same direction.* Gently push tip of threader into sequins. When threader is full, insert thread into threader and slip sequins onto thread.

### INSTRUCTIONS

Follow directions for Beading Tool found in the package. Fill in leaf shape starting on outside and working around until piece is covered in sequins. Stitch bells to front of ornament.

Turn over and with small amt of glue attach hanger in center top of ornament. Coat back of ornament with glue and cover with piece of heavy craft felt.

When dry; trim close to sequins.
