INSTRUCTIONS

Using 2 strands of white yarn as one follow the directions on the wonder knitter. Use 3 prongs to make the cord. Finish the cord at 10 ½" with a tail on both ends. Using one strand of the red yarn, use 3 prongs and make the cord 13", with a tail at both ends. Wrap the red cord around the white in a spiral and then tie the ends to make a wreath. Decorate the top with an oval yo-yo and add a rose or pom-poms as desired.
