### TOOLS & SUPPLIES

Embroidery Stitching Tool ART. NO. 8800  
3 ply needle (comes with tool)  
Needle threader (comes with tool)  
Embroidery Hoop ART. NO. 8812  
Embroidery Floss Green  
Wrap 'n Fuse Piping 3/16" x 2.2 yds. ART NO. 9512

#### Fabric:

White or Cream for center panel: Cut a larger enough square to fit the embroidery hoop

Christmas Red for background: Cut two 3 1/2" x 5 1/2"

18" strip Gold/Yellow for piping: Cut 1 3/8" wide

1/4" wide Ribbon for hanger: Cut 7 1/2" length

Small amount of stuffing

### NEEDLEPUNCH PREPARATION

On the computer, I printed the word JOY using the font Comic Sans. Trace JOY onto your fabric, place in hoop and start punching. Remember: You are punching from the back – your letters will be backwards so check before punching.

### INSTRUCTIONS

Trim the joy panel to 4 1/2" x 1 1/2". Hand stitch onto background fabric using floss. Make piping and baste to right side of ornament. Position and pin hanger ribbon in center, place back over front and stitch together, leaving a 2" opening to turn. Turn and stuff using a small amount. You do not want it to be "hard". Hand stitch opening closed.
